After Hours Key Tenant Access

As a courtesy to our tenants, PML maintains an after-hours key authorisation list. This list contains the names of individuals who are authorised to be issued a key to the premises outside normal trading hours (as provided by the Gatehouse attendant on duty). This list can only be modified by the Principal of the specific tenancy or other authorised key issuers specified by the tenancy principal.

If you are an authorised key issuer and would like to amend or update your after-hours authorisation list, please click [here](#) [1].
