Forklifts on Site

Any forklift operating at the Market City site must first be registered with PML and issued with forklift identification plates.

Forklift registration costs \$100 per forklift and must be completed before you can use a forklift on site.

If you would like to register a forklift for use in the markets, please click [here](#) [1].

If you have sold or disposed off a forklift that has previously been registered, please notify PML [here](#) [2].
