The 2016 Market City Ball and WA Fresh Produce Retailer of the Year Awards will be held at the Crown Casino Perth on Friday the 22nd July. This year is an historical landmark in the evolution of Market City and the fresh produce industry's pathway to the future. This year the ball will see some exciting initiatives and provide the industry with an opportunity to celebrate both the history of Market City and the new era in the fresh produce industry.

The ball continues to get bigger and better, thanks largely to the continued and increasing support of our sponsors. It is Market City's fresh produce premier event for the year. Last year almost 500 retailers, wholesalers, producers and suppliers of fresh produce attended the Ball and Awards night.
