

FIRE SUPPRESSION & DETECTION SYSTEMS IMPAIRMENT AND/OR HOT WORKS PERMIT

PML001

This permit is required for all impairments to fire sprinklers, detection and hydrant/hose reel systems (other than regular testing), as well as any cutting, welding, grinding, brazing, soldering and the use of naked flames (all classed as “Hot Work”) within the Market City site. All works shall be reported to Perth Markets Limited (PML) at least 48 hours in advance, wherever possible. All impairments to fire protection systems and hot works must be authorised and strictly controlled by PML Facilities Management and/or Operations team.
